

American Red Cross

Each year, the American Red Cross immediately responds to about 70,000 natural and man-made disasters in the U.S., ranging from fires to hurricanes, floods, earthquakes, tornadoes, hazardous materials spills, transportation accidents and explosions.

People count on the Red Cross to help them in their darkest hour. In turn, the support of donors like you makes it possible for the Red Cross to fulfill its humanitarian mission. Red Cross disaster relief focuses on meeting people's immediate emergency needs caused by disaster. When disaster threatens or strikes, the Red Cross provides shelter, food, and health and emotional health services to address basic human needs and assist individuals and families in resuming their normal daily activities independently.

SHRM

Columbus Area

Members are encouraged to bring **NEW** items such as the ones listed here to our **March 27th CEO Luncheon**. A repre-

sentative from the Red Cross will be our Community Spotlight speaker and we would like to provide him with donations of goods and money for disaster relief in our area.

Please do **NOT** bring food or clothing items. Monetary donations are **always** acceptable and most useful.

SHRM-Columbus Members are always generous and we thank you in advance for your participation in this worthwhile community project.
